

DECLARATION FOR PATENT APPLICATION

As a below named inventor, I declare:

My post office address, residence address and country of citizenship as stated below next to my name are true and correct;

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "Apparatus for and Method of Measuring Jitter" by Takahiro Yamaguchi, Masahiro Ishida and Mani Soma, described in United States application Serial Number 09/811,153 filed March 16, 2001;

I have reviewed and understand the contents of the above identified application, including the description, claims and drawings, including any amendments specifically referred to herein; and

I acknowledge the duty to disclose information known to be material to patentability as defined in Title 37, Code of Federal Regulations § 1.56.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Inventor: Takahiro Yamaguchi
